John, Leif, and Justin,

Thanks again, and my apologies for the delay. Attached are a handful of edits but I think this should get the ball rolling for the office directors' review of their specific actions. John, if you wouldn't mind sending it to them later today or early tomorrow after Justin has a chance to provide comment, I'd appreciate it.

Subject: Draft Admin. Response to SAB re: 2017 Actions & Scientific Transparency

Clint,

With compliments to Leif, here's an updated draft response to the SAB. Included a few marginal questions and notes for your review/awareness. Please refine and share with Justin as you like and let me know how/when you'd like to also reach out to ODs/staff for feedback on the response and potential briefings and/or questions to the Board for consideration. Thanks!

John
